COMMANDER'S REPORT

YOUR POST NEEDS YOU. How many times have you heard these words? No matter how many times you've heard them, it's TRUE. Without member participation and involvement where would our American Legion Lake Shore Post 137 be? I want to thank every member that has even paused to consider giving our Post a helping hand. We are stepping on new ground and succeeding in all areas so far. We have excelled in all our local and Legion programs; we are continually making our Post home better with new projects and improvements. Members have been donating not just there time, but materials, too. We are becoming one of the best Legion Posts in the state. This past general assemble meeting, we held an initiation ceremony for thirteen old and new members. After the meeting, the Post officers and color guard performed a Dignified Flag Disposal Ceremony at our NEW PARK AREA by the water's edge and we had drivers and boaters stopping and watching. We will soon be totaling up all our achievements for this past Legion year and we will be publishing them in the End of the Year report, Commander's Report to Department, and right here in the Bugler by June.

Now, this is only the beginning it's up to you and what you want, and how you want your Post home to be. Post Officer and Executive Committee Member nominations will be taken at the April and May General Assembly Meeting, on the Second Saturday of each month. Voting by ballot for your choice of Post Officers and Executive Committeemen will be on the first Saturday on the 3rd of June. If you care how your Post is doing and for the good of the Legion get involved and vote for the nominees that will best serve you and continue to make your Post home the best in the state.

April's general assembly after completion of the Post's business we will have a Post Everlasting Ceremony for our departed members from this past year and all family members are invited.

For God and Country,
Greg Lovejoy
Commander, Lakeshore Post 137
The American Legion

ADJUTANT REPORT:

Legionnaires, your membership renewal for 2006 is important. As the deadline approaches for the Legion end of year and 2007 dues for membership will soon be upon us, we need every member to renew as soon as possible. The Post 137 membership is growing by leaps and bounds; however, any members who have not renewed are urged to do so quickly. Failing to do so could result in loss of your continuous years. Simply send your renewal through the mail or stop by the Post Business Office on any Monday, Wednesday or Friday between the hours of 1:30 and 5:00 pm., and let us serve you. Remember, no current membership card, no service!

Congratulations to Marilyn Thornton on her recent retirement. Marilyn served Post 137 as office secretary for many years and did an outstanding job. Her dedication to service for the American Legion is most commendable. All of us who know and worked with Marilyn in the office will miss her. Our new secretary, Sarah Mackesy, is ready, willing and able to continue on with the job. I know everyone will extend a hearty welcome to Sarah and will let her know she is a valuable member of the "Post 137 Legion Family".

I see more new faces and participation in the many Legion Programs and activities here at Post 137 and want to encourage those who haven't been here in a while to come on in and enjoy the Family atmosphere being created. The monthly General Assembly, weekly Legion Dinners, live entertainment, Bingo night, Darts night, Karaoke night, Sunday breakfast, as well as the many programs which this fine Post sponsors are all interesting and deserving of your participation and support. With Spring and Summer just around the corner I anticipate the opening of the TIKI area and more utilization of the Pool, RV and picnic areas. The recent improvements to the river front area are a fine addition to the Post and my compliments are extended to those volunteers who made it happen.

As just a friendly reminder to the Officers and Program Chairmen, I need your monthly reports no later than the second Saturday of each month. Please include a synopsis of your past monthly activities, number of hours expended and mileage incurred. All of you understand the necessity for these reports, so please don't let me down. Remember, together we can all make Lakeshore Post 137 the absolute best in the 5th District, Department of Florida and the Nation.
For GOD and Country
Dennis Thompson, Adjutant

SERVICE OFFICER REPORT:

I am pleased to report the Soldiers 4 Soldiers campaign is a success. Post 137 has thus far been given credit for raising \$ 201.00 by the last shipment of used printer cartridges and cell phones. This may not sound like much, but I can assure you these funds are for a very good purpose. I have 5 more boxes being readied for shipment this month. Everyone's support of this worthwhile program is greatly appreciated.

The Combat Wounded Relief Program continues and we are receiving donations of needed items. I am holding off the next shipment until I hear further from The 10th Combat Support Hospital. I will continue to take the donations, so please keep them coming.

If I can be of service to any of you in VA matters, or assist you with the retrieval of military/medical records, including a DD-214 for membership, please don't hesitate to get in touch with me by calling 387-3373 or e-mail at: Serviceofficer@americanlegion137.com. I will be here between the hours of 3:00 and 5:00 pm on Mondays, Wednesdays and Fridays.

For GOD and Country,
Dennis Thompson

BLOOD DONATIONS:

We all know the importance of donating blood especially as we see fellow Post members falling ill and desperately needing that precious fluid to recover. Fortunately, we have the opportunity to provide that critical life support substance making it available when needed for our family, friends, and those in our community that do not have the support legionnaires enjoy.

Who Can Donate?

Anyone who is in good health, at least 17 years old, and weighs at least 110 pounds may donate blood every 8 weeks.

Questions About Eligibility

Some health conditions or medications may temporarily or permanently prevent persons from donating blood. Some conditions previously disqualifying i.e., malaria may now be considered qualifying if the donor is symptom free. The Food and Drug Administration regulates all blood centers and establishes the eligibility guidelines. For more information on these guidelines please contact the Post Blood Donor Representative below.

CARDS:

At the last card game we had a really wild night. It appears there are more than one way to play Canasta, now we have to get our rules out and all stop on the same page.

We had two mother daughter groups and it was a blast. Ladies, your moms are real serious about their cards. What fun! How lucky you are to have them, enjoy every moment. We also had a computer Canasta whiz kid with us. Talk about a mix, we had it!

I am looking forward to seeing you all again at our next game, 4th Thursday each month. The fellows were at it, also. We still need two guys to complete another foursome for pinochle. SEE YA!!

† CHAPLAIN'S REPORT ☆

This year, so far has been very productive in getting many tasks completed for the betterment of our Post Home. Many projects are still on going and can only be accomplished with the help of Volunteers from our membership. Thanks to all who have contributed to these causes. Spring is upon us and we are looking forward to another banner year. If you have not done so, please take a few minutes of your time and walk out back of the Post and see the beautiful improvements which have been made to the area down by the river. Again, many thanks to so many Legionnaires who have given their time and effort to make our Post the very best.

It is not too early for all of us to start thinking about the danger of severe summer storms and hurricanes. We were lucky last year that no hurricanes came close to our area, but be sure you are prepared for any emergency that could come our way. Remember, the devastating time experienced by our neighbors on the West Coast of Florida and the States of Louisiana and Mississippi. So many people were displaced, suffered great losses and had their lives forever changed in an instant. Be sure you make a plan now before you are forced to do so.

Our Post has lost several members in the last few months. These members will be greatly missed. It is always my sad duty to report the names of Legionnaires who have transferred to POST EVERLASTING.

J.C.McCOY JACK D. GRAVES, SR.

Please keep these Legionnaires and their Families in your "Thoughts and Prayers".
For God and Country, Gene Odom, Chaplain Post 137

SONS OF THE AMERICAN LEGION LAKESHORE SQUADRON 137 – Sonsoftheal137@aol.com

Meeting: Saturday, April 8th -- 11:30 a.m.

Your Sons of The American Legion are at 100% +. I would like to thank all the Members of our Post, especially those Legion and Unit Officers who really teamed with us to make a 100% by The American Legion Birthday. JOB WELL DONE.

The Legion and the Sons attended the Spring Conference at the Double Tree Hotel in Tampa, FL on Friday, February 17th—Sunday 19th. Your Sons were able to contribute to the Legion by making available reserved rooms so Legion Officers were able to stay in the hotel & save our Post money. It was my privilege to attend a Legion Extension Class, which was taught by our own Commander & S.A.L. Member Greg Lovejoy. After I attended the course, which was very informative about Legion History, we recommended to the Detachment of Florida Committee that all Detachment Officers attend a Legion Extension Class, so that they would all have knowledge of Legion History. The Detachment Commander has decided to look into this further. The Saturday Conference informed us that Florida Detachment was ahead of quota and expected to exceed membership again this year. We also learned other, membership and command, procedures to help us administer our squadrons more efficiently.

We donated, to Department Children & Youth, and received a Florida Children & Youth embossed bag. This was presented to Post 137 Third Vice Commander, Barry Congressi, for all his work at our Post. I would like to give a special thanks to House Committee Chairmen Hank Morris, Commander Greg Lovejoy and Adjutant Dennis Thompson for all their help with the Past Commander Club Hospitality Room. JOB WELL DONE.

Congratulations to Ed Willett for purchasing the winning ticket in the S.A.L. raffle of the autographed American Legion Racing Cap. We raised \$44.00 for the squadron Child Welfare Fund. Many thanks to everyone who donated. Once again the Sons donated to the refreshments for the American Legion Boys State interviews on Sunday March 12th. Thanks to everyone who attended and good luck at Boys State.

Sandwiches will continue to be available in the Club for a donation. Big thanks, to Hank Morris, Ann Gray and Ray Runyan, for all their help with S.A.L. Sandwiches Crew. Special thanks to, Duel Member, John Kelley for his continued representation attending the Lake City Veterans Hospital every month with the V.S.V.A. JOB WELL DONE.

For God, Country and our Legion Family, Bill Kelly, Commander, Squadron 137.

CITIZEN SOLDIER PROGRAM

The Citizen Soldier Program (CSP) provides matching grants to be awarded to Florida private sector employers who provide wages to their Florida resident employees serving in the United States Armed Forces Reserves or the Florida National Guard while those employees are on federal active duty. The law limits each grant to one-half the difference between the amount of monthly wages paid by the employer to the employee at the level paid before the date the employee was called to federal active duty and the amount of the employee's active duty base pay, housing and variable allowances, and subsistence allowance.

WHO IS ELIGIBLE?

Florida private sector employers paying supplemental wages to an employee who is a Florida resident and is serving on active duty in the United States Armed Forces Reserves or the Florida National Guard.

WAGE SUPPLEMENT!

Private sector employers may be reimbursed for up to fifty percent of supplemental wages paid to their employees. Employers will be reimbursed 50% of the difference between the employee's gross monthly private sector wage and the employee's gross monthly active duty base pay and applicable allowances.

Jabber Jaws:

March has been a month of Study and Concentration for the Juniors. S.A.T.'s have been given, now, it is wait and see how they come out. For the girls to be eligible for Jr. Beta Club they must be A/B Honor Roll. So far the two active Jr's are. We can be Proud of them.

March 6th, Jr. Girls worked the "LITE SUPPER" before Bingo. The 8th, we ordered and paid for the cake for the past Commander and Presidents Dinner. On the 11th they attended the Legion meeting and gave their donation of \$100.00 to the Post Home to help with the cost of the new stove. After the mtg. a Jr. participated in the Flag Disposal Ceremony, by the river, as they had collected 4 unserviceable Flags. Saturday night, the 11th, they attended the Past Cmdr's & Pres's Dinner. During Spring Break, on the 15th, took all the clothes and personal items to the Lake City Domiciliary-- for the lady Veterans and enjoyed having lunch with them. The Junior's will be working at the Police and Firemen's Dinner on the 25th and on the 26th will be working the Sunday Breakfast. We have obligations and work hard to fulfill them.

We couldn't do things if you didn't help us. THANK YOU to, Ms's Connie Manning, Sara Mackesy, Carol, Dykes, Vivian Grant, Sandra Gentry, Shirley LeFils, and Cabane 304 for donating things for the ladies at the Domiciliary and to Mr. J.W. and Mr. Larry for their help with our Monday night dinner.
