## COMMANDER'S REPORT

Commander  
**DENNIS  
THOMPSON**

Auxiliary President  
**JERI WEST**

S.A.L. Commander  
**WM "BILL" KELLY**

Chef de Gare  
**JOHN KELLEY**

GREETINGS LEGIONNAIRES! A new year has begun and all of you should have received your 2008 dues renewal statement by now. You are urged to pay your dues as soon as possible. The dues you pay are important and will allow us to provide the necessary funding for our programs at all levels, including those of the National and Department, as well as those of Post 137. Many of you have already renewed and your new 2008 cards are being processed as quickly as possible. Don't forget, your prompt payment enables you to get in on the "Early Bird Dinner" this coming November.

My many goals and objectives for the coming year (2007/2008) have been announced to the Executive Committee and General Assembly meeting in July. Membership will continue to be a priority. I am proud of the fact that membership grew this past year and believe this is a trend which can and should continue. Only through growth can we obtain the necessary volunteers and supporters that will allow us to rejuvenate and succeed. We all know Veterans who could qualify for membership and belong to our fine organization. I encourage each and every member to ask your friends, neighbors, relative and co-workers to come join us here at Post 137.

This month will be full of the usual activities, including Monday Night Bingo, Tuesday Night Darts, Wednesday Night Karaoke, Thursday Night Video Bowling, Friday Night Dinners, Live entertainment on weekends, as well as Sunday Morning Breakfast, and live entertainment at the TIKI on Sunday Afternoon. In addition, we have scheduled an outside Hawaiian Luau on Saturday, August 11, 2007, starting at 3:00 pm until? Food, entertainment, and plenty of good times will be had by all who attend, compliments of Post 137. Bring the family and join in the "Limbo, Hula and Best Dressed Contest". If at all possible, please call the Office at 387-3373 and let us know for sure if you plan to attend.

I am very pleased to announce the appointment of Jerry Lepore as Judge Advocate for another year, as well as the appointments of Hal Helms as our Adjutant and Carl Jowers as Service Officer. I know all three of these Legionnaires will do an outstanding job and we are all very proud of them for accepting the challenge

Our Post House Committee continues with many projects here at our Post Home. They all deserve a "pat on the back" for the hard work they do! We can all look around see the improvements, which are taking place. Only through the efforts of the Committee and their volunteers can we continue to maintain and improve our Post Home in a manner of which we can all be proud of.

The "Enthusiasm" which began last year, continues on here at Post 137. I firmly believe a positive attitude will prevail with our entire Legion Family as a result of the enthusiasm being displayed and hope everyone will continue to join me in that regard. In this way we can and will be "Second to None" in the Nation, Department, District and our Community.

For GOD and Country  
Dennis Thompson, Commander

## **Adjutant/Service Officer Final Report:**

Yes, Yes final report sounds like “The Final Report”. Although I will no longer be the Adjutant and Service Officer for Post 137, I have been appointed 5<sup>th</sup> District Adjutant allowing me to represent our Post and help our members at a different level.

I will still frequent our Post as much as possible to visit with my many friends and offer assistance when needed. Hal Helms will take over Adjutant duties and Carl Jowers will be the Service Officer. They are both honorable men and will do a great job.

I have thanked the Commander for supporting me throughout the year, that is to say, by supporting me he has supported all of you. Dennis Thompson’s generosity in providing moral support, financial, and other assistance to those in dire need makes me thankful that I was serving Post 137 where those assets were available.

I wish all of you a great Legion Year for 2007-2008 and hope you will continue helping your comrades to overcome life’s obstacles.

As always,  
For the Members,  
Fred Bergman

## **JUDGE ADVOCATE:**

At the regular Post meeting held on 14 July, it was passed unanimously by the Post Executive Committee to make a change to the Post Regulations. Section 9 under Article II, General Post Home Operations was added. It reads as follows:

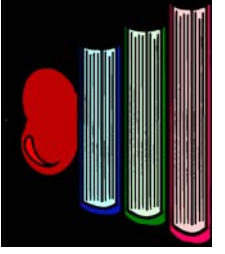

“Clothing with obscene, suggestive or offensive language, pictures, drawings or photographs are not allowed on Post property at any time.”

We have had a number of members of the Legion family wearing inappropriate clothing. That is the reason for the addition to the Post Regulations. Please heed this section. You will be asked to leave if you are wearing an item that falls under this section.

It has also been brought to the Executive Committee’s attention that there are vehicles parked in the back lot (where the boat ramp is) that have for sale signs on them. Post property is not a used car, boat, trailer, motor home, etc., for sale yard. Do not utilize the property for that purpose. Failure to comply could result in your item being towed.

We are working on guidelines for parking long term (more than 1 day) on Post property and hope to have this approved by the Executive Committee and General Membership at the August meeting.

Jerry Lepore  
Judge Advocate  
American Legion Post 137

## ✚ CHAPLAIN'S REPORT ☆

Our Post is once again looking great. The new paint on the Legion building and the Moon Building was needed and certainly improved the appearance of both. Many thanks to Larry, Bob, and others who worked so diligently to get this task completed.

The Post celebration of July 4<sup>th</sup> went very well. The weather cooperated. The wonderful entertainment as well as delicious food added to the great time had by all. Our thanks go to our volunteers in the preparation and serving of the meals. Many thanks to you, our members who come out to the Post on these special occasions. It is your support that makes our Post the Best.

Membership renewals are due for the coming year. Please make an effort to renew early and help us attain 100% membership as soon as possible.

I would also like to mention while we are celebrating our nation's birthday that we remember how America won its Independence by the hardships endured by so many to make the freedoms we enjoy today a reality. Our military is now continuing the task of keeping America safe and a place to live and be proud of.

Pray for a speedy end to the hostilities we now face so that our service men and women can once again come home safely to their families and loved ones.

Again it is my sad duty to list the names of the following Legionnaires who have transferred to POST EVERLASTING.

\*\*\*\*\*

JOSEPH CARROLL WILLIAM NEAL GEORGE A. CARPENTER

---

Please keep these Legionnaires and their families in your thoughts and prayers.  
For GOD and COUNTRY, Gene Odom, Chaplain

### **HISTORIAN'S REPORT:**

After the past elections I was once again elected Post Historian. I will do my best to fulfill my duties. Preserving the events of today for those in the future. This truth was made clear to me by the task I undertook to classify all of the old photos around the post and put them on the computer. Although most of the people are now unknown the evidence of their participation still exists.

With all of the latest advances in technology, the current ideals of Historian are archaic and the Legion must bend to keep up. Using the new technology, during the past year I have made changes in the way Post information will be stored along with the way pictures will be kept. I now have a new design for the history book that will allow more information to be displayed in a smaller area.

Don't be just a name on the roster. Come out enjoy your Post, take part in the activities. Most of all, have your picture so that in 30 or 40 years someone can look at it and say "Boy, he/she sure did have a good time."

For GOD and COUNTRY, Rick Wiggs

## **CLUB MANAGER**

July was another good month financially speaking. The Club Operations was able to transfer \$7000.00 to the Legion Building Fund. Unfortunately we lost another compressor on the a/c unit in the Legion Hall that cost \$1600.00 and after nursing the main unit in the Lounge for the last 6 months we decided to replace the unit above the bar at a cost of \$8,800.00. With these investments we should have many years of comfort in our Club.

Our TIKI is open every Friday from 5PM to 10PM, Saturday & Sunday from 1PM to 8PM. Bring the kids come on down and take advantage of your Pool & Post facilities. On Sunday we have Live Music from 3 PM to 7PM featuring Garrett Slay of the G Men. Remember the Club facilities doesn't operate without if enough of you to justify the cost of operations Support your TIKI and Pool and come on down on Saturdays and use it.

Our Club is sponsoring a Luau at the TIKI on Saturday August 11 at 3PM. The Luau will feature a Pig Roast with all the trimmings. Contests include Hula Dancing, Limbo, and a Best Dressed. The Music will be provided by Garrett Slay of the G-Men. So dress up in your best Luau costume and come on down for the Food, Fun Prizes, Contests, and Music at your Tiki Hut.

Membership renewal time is here and our Club Bartenders are here to take your renewal, but please be patient and remember that if the Club is busy the Bartender's first duty is to serve our members drinks so please wait for a off time when the bartender is not so busy to ask them to renew your membership. Thank You.

There is always something going on at your Post, Monday is BINGO and a Light Supper, Tuesday is DARTS, Wednesday is KARAOKE, Thursday is VIDEO BOWLING, Friday is DINNER, Friday & Saturday is Live ENTERTAINMENT, Sunday Morning is Breakfast and Afternoon is NASCAR RACING, and don't forget you can TIKI all Weekend. Watch your Bugler for Special Events this fall including the FOLLIES, HILLBILLY Night, and College, and Pro Football.

Serving Our Membership,

-- Bill Kelly
