## COMMANDER'S REPORT

Are you feeling the strain yet? It has been three months now since I became the Commander. I must say, it has been a full time learning experience on my part. I have always been told that you can learn something from everyone. I have found that to be a true statement, our members have taught me a lot (some good some bad). One thing is for sure, individually everyone believes in our mission and I hope all of you are as proud of our Post as I am.

We have a lot of activities this time of year. I cannot begin to thank everyone by name that has contributed to Post functions and made them a success. There have been many, I would like to give a collective THANKS to everyone and hope you continue to make "our" Post stand out in the State and in our hearts.

The 5<sup>th</sup> District meeting was held on the 12<sup>th</sup> of October at Post 244. One segment of the meeting is "Post Reports" allowing each of the 18 Post Commanders to discuss their individual Post's membership renewal progress and any activities they would like to share. This meeting is a good forum for the exchange of information between Posts. Anyone interested in attending one of the meetings can contact me for more information.

Between now and December 6<sup>th</sup> we will see most of our District, Area, and Department Staff visiting our Post. Please welcome them and tell them about the wonderful job we are doing supporting the Legion programs. Post 137 was awarded the "Best All Around Post" so let them see why we received that distinction.

We are expecting a large American Legion turnout at the Veteran's Day parade on the 11<sup>th</sup> of November. Anyone desiring to be in the parade can join the fun. The Club Manager is preparing a good meal after the parade and there will be raffles to benefit the Veteran's Holiday Program.

I am sure everyone has heard the Follies went well and everyone had a good time. A total of \$1,700 in donations was raised for the Veteran's Holiday Program. Yes, I agree this type of behavior is undignified but when you do it in the name of a program that assists needy Veterans and their families, the humiliation becomes minimized. I hope everyone enjoyed the show.

Finally, the Post will host a traditional Thanksgiving day dinner in the Moon Bldg. If you would like to enjoy a good dinner and meet with friends please join us. If you would like to bring a covered dish it would be welcome. If you do not smoke good news! There will be no smoking in the Moon bldg. I hope to see you there.

For our Members, Fred Bergman

## 1<sup>ST</sup> VICE REPORT:

For now my focus is going to be on current member retention. In these days of economic stress, it can be hard for some to come up with the cash American money to renew their membership. For those who are not experiencing that kind of problem, I am asking you to take care of that matter, if you have not already done so, as soon as you can. For those who are having difficulty, I still love you and pray you will find relief soon.

On the subject of recruiting, there is a “**Corps of Volunteer Recruiters**” being developed at this very moment. There are two team captains who are in the process of hand picking team members to serve with them in some serious recruiting events. We can avail ourselves of a new program being offered by Department Headquarters to assist us in our recruiting efforts. I will have more to say about that later. “Stand by for news”, as Paul Harvey would say.

If you have a friend or acquaintance that you believe is eligible for membership in the American Legion and you would like for someone to approach them for you, give me their name, address and/or phone number. You may write the information on a piece of paper and add “**Attention 1st Vice Cmdr.**” and drop it in the mail slot in the office door. I will see that the person is contacted.

The cutoff for Early Bird renewals will be October 31<sup>st</sup>. I have chosen **November 22, 2008 as the date of the Early Bird Dinner.** Roast beef is a personal favorite of mine, so I selfishly chose it for the Early Bird Dinner.

Now I have a word to the elected officers of Post 137. Could I, by any chance, interest you in attending Fifth District meetings? In the event you might be amenable to the idea, the **November 5<sup>th</sup> District Meeting** will be held on November 2nd at 2:00 PM at Post 197, located at 2179 Benedict Road N.W. Jacksonville. Attend one and see if you like it. It will only cost you a dollar at the meeting room door and you will likely be fed for your effort. Oh, there is also a 50/50 drawing at a dollar a ticket that might interest you. Post 137 is usually well represented and that makes us real proud. A show of unity and strength on the part of our 2009 administration couldn't hurt.

Whatever your favorite concerns are, we're either working on it or the check is in the mail.

For God and Country,  
Harvey D. Finn, First Vice Cmdr.

## HISTORIAN'S REPORT

Many thanks to Sandy Gentry. I had a commitment to **Safety Escort Riders of Florida** (SERF) to escort bicyclists as they rode in the MS Ride to Daytona to raise research money. That ride began at 6:00 AM on Saturday 20th. Plus I had to go to work at 4:00 AM the next morning. So I was just too tired to stay and photograph Hillbilly Night. Sandy stepped up and took the pictures for me. Again, many thanks Sandy.

On Sept 21st there was a Groundbreaking Ceremony for the Jacksonville National Cemetery. I was there and took many pictures plus some video clips. Right now I am working on a special card to get it ready to honor this event and ready for the Digital Picture Frame. My plan is to have both a slide show of the stills plus videos.

In an effort to protect the Compact Flash Cards a door was added to the digital picture stand. Keys were made and will be distributed to the Commander, the Club Manager and the Bartenders. Of course, the Historian will always have the Master Key. To view a card just get the key, select a card and plug it in. The slide show will begin to play automatically and thousands of pictures can be viewed. I am also learning how to add music to the pictures.

Before you can finish reading this report, the moment will already be past and, a part of History. **“TIME SLIPS THROUGH OUR HANDS!!”** As a member, did you come participate in Post events? If you didn't your picture could not have been taken and future generations won't see your face. Come out and enjoy your Post activities and have your picture taken so that you may become a part of Post 137 History. For GOD and Country, Rick Wiggs

## PATRIOT GUARD UPDATE

During the month of September there were several calls throughout the state. Fortunately there were not many locally. However, I would like to report on two very impressive local events that did occur.

On Sept 21st there was a **Groundbreaking Ceremony for the new Veterans Cemetery**. The cemetery Director called upon the **Patriot Guard Riders** to organize a ride-in and to set up a Flag Line. Volunteers made the calls and an escorted ride was set up.

Once preparations were made, the news went out to any and all groups wanting to come out and show both their patriotism and their group colors. The **PGR** was only the host. Two hours prior to the actual ceremony bikers from various groups from Florida and Georgia gathered at a location near JIA.

Over 200 bikes came out for the ride to the cemetery grounds. After we arrived a flag line was formed. Members and guests lined both sides of the walkway stretching from the ceremony tent to near the entry gate.

On Oct 4th the American Legion 5th District sponsored a **Family Day for the 146 ESB**. That event was a huge success. A lesser known event was the actual **Farewell Ceremony** held at Cecil Commerce Center. Again, a call went out to the **PGR**. At the ceremony the **PGR** formed a flag line that stretched across the hanger opening.

On Oct. 5<sup>th</sup> the National Guard began to depart. At 0300, 0600 and 1600 hours, **PGR** members were there to say **“Farewell”** and to escort the busses partway to the airport.

**MAY GOD BLESS THESE DEFENDERS OF OUR FREEDOM!!!**

Rick Wiggs, PGR Member

## ✚ CHAPLAIN'S REPORT ✨

There is nothing so precious as a faithful friend, and no scales can measure his excellence. A faithful friend is an elixir of life. (Ecclesiasticus 6:15-16 \*SIRACH)

A truly great accomplishment is usually the result of hard and persevering work, with God's help on the part of one individual whatever we do with our talents, any job we perform can be a job of service, direct or indirectly, to our fellow man. For in loving him, we are loving God.

We have an outstanding post and can be proud of the way our volunteers performed in helping to send off the troops from the Army National Guard 146<sup>th</sup> ESB for duty overseas. Cooking and serving meals for them and their families on October 4<sup>th</sup>. Well done, we salute you.

To our dedicated members who unselfishly give their time and energy to keep our many activities moving, we give our thanks and appreciation. All our members should, if time or health permits seek an opportunity to serve.

It is my sad duty to report to you the following Legionnaires who have transferred to POST EVERLASTING.
