## COMMANDER'S REPORT

### HAPPY NEW YEAR!

Here we are starting a new year and another opportunity to achieve the perfection that we all know is possible. Thanks to everyone's hard work, we had an excellent 2008 and I am proud to be a part of such an organization. We have accomplished so much here in the Post over the years that we must try extra hard to improve the **High Standards** we have made for ourselves.

Our house committee has been busy maintaining and improving our Post. There are some repairs and improvements that need to be made in the near future. We are currently looking into: (1) ladies rest room (2) repairing and resurfacing the parking lot (3) maintaining the swimming pool (4) updating the fire extinguishing system in the kitchen (5) updating the air cleaning system in the club and hall. All of these projects are very costly and we must proceed with caution. **"However we must proceed"**

By now you all know the security system is in place and functioning well. Installation of the system was a big project and costly but I consider the safety of our members to be paramount. As you may know, the main console is on my desk so be careful, when you least expect it, "you may be on not so **Candid Camera**. Yes, it happened to me during the installation. Luckily (at the time), I was behaving myself Lately I have heard the old adage **"time marches on,"** well I guess it is true and it seems there is not enough time to get everything done whether at home or here at the Post. We have lost some friends and outstanding Legionnaires during the year. It is always a surprise to hear that one of our own has passed, or is in the hospital. So, please let's respect each other and realize that some of us may be having private difficulties that might contribute to our current dispositions. We never know what tomorrow may bring so let us all try to make time for each other.

In closing, I ask **"everyone"** to help me in keeping our **Post clean and safe** for our members. If you need assistance let someone know, perhaps we can help you work out a solution.

**I want to wish everyone a Wonderful 2009**

God bless our members,

For Our Members, Fred Bergman  
[commander@americanlegion137](mailto:commander@americanlegion137)

### 1<sup>ST</sup> VICE REPORT:

Greetings Legionnaires: Time marches on. We are still on track with our membership but the **pressure is not off yet**. I plan to play the last half as hard as I played the first half.

With the **expiration of key cards** at hand, I expect a surge in renewals that will set us up for a good showing in February. I have a commitment on January 8, 9, and 10 that will prevent me from attending the Legion meeting scheduled for the 10<sup>th</sup> but I will still be hacking at it up to and thereafter. I was told at the outset that it was going to be **MEMBERSHIP, MEMBERSHIP, MEMBERSHIP**, and so it has been and will continue to be.

I trust the **NEW YEAR'S EVE Survivors** will start feeling much better very soon. Then it's back to the rock pile and a rush to the finish. It is clearly evident that all hands are proud of their post and turn in their best effort to keep the blue ribbon at home with us where it belongs.

We have been **growing our membership by twenty or more** transfers and new members per month recently. I have no way of knowing what ratio of that number frequent the post and participate in the events and activities we have to offer.

Some people are assertive and outgoing and others are not. If you recognize a new member who is showing up frequently, approach them and see if you can get them interested in your favorite activity or club. Among today's **new members are our leaders of tomorrow**. Lets raise them right. Win, loose or draw, we are in to the finish. And "yes" I am still having fun.

For God and Country, Harvey D. Finn

### 2<sup>ND</sup> VICE REPORT:

#### **A Very Happy New Year to Everyone!**

I don't know about you but it sure seemed like a short year to me. Where did the time go? It would appear that we are all having so much fun at our Post home that we just forget about the time. Anyway it sounds good to me. I want to remind everyone about the **Sunday**

**breakfast starting at 8:30 –11 am**. On **Tue. the Dart Players** have a great time. **sign-up at 7 pm**, Wed. **"If you want to be a Star"** come to **Karaoke at 7:30 pm** and make your debut.

If you are lucky you may catch one or two of my songs. **Thurs. Video Bowling Anytime**. This game has become very popular in the evening. **Fridays** are the **Best Steak Dinners** you will ever "wrap your lips around" **5:30 pm**. Yep it is that good! **Live entertainment for your dancing pleasure at 8 pm** and **Sat. more Dancing**. Same station same time. Check the calendar in the back of the Bugler for other events and socials.

For GOD and Country, Dan Grant

### 3<sup>RD</sup> VICE REPORT:

On December 8<sup>th</sup>. Diane and I had the honor of presenting \$500.00 to Ronald McDonald House. \$300.00 from the Legion and \$200.00 from the Auxiliary. I'm not sure if everyone understands the mission of Ronald McDonald House. It is, among other things, to provide apartments, at no charge, to the parents and families of critically ill children, in a family setting, while the child is receiving treatment for their illness. \$500.00 will allow a family 5 nights in residence. Very important to the children! We, through you, also gave them 10 new board games and 5 "G" rated movies that children like. Needless to say, the staff was overjoyed.

Your S.A.L. donated over 10 lbs. of pull tabs. Did you ever wonder why we save the pull tab from your beer cans? They are recycled and Ronald McDonald House gets the proceeds for their programs.

From there, we went to Wolfson Children's Hospital. Now this place will rip your heart out. Your Legion and Auxiliary each, donated a case each, of "Josh Dogs". These are cute, cuddly animals that the children love. They come with a book that the parents read to their child with a message, "I will be

### CONTINUE 3<sup>RD</sup> VICE

O.K.!" Remember, these children are going to have surgery. They as well as their parents are frightened. These little "Josh Dogs" seem to make everyone feel better.

I'd like to thank all of you, Legionnaires, Auxiliary and S.A.L. members who support our Post. The money that you spend here makes it easier and more possible to support programs like Ronald McDonald House, Wolfson Children's Hospital, Special Olympics, Children's Miracle Network, and on and on. The responsibilities of the post 3<sup>rd</sup>. Vice Cmdr is not limited to hosting parties for our children and grandchildren. We, as an American Legion Family, support children's programs, locally, statewide and nationwide. Without your support, we could do nothing.

I sincerely hope that you had a very Merry Christmas and, I wish you all "Happy New Year."

For GOD, Country and Children, Barry Congressi

#### 4<sup>TH</sup> VICE REPORT:

On December 5<sup>th</sup>, 2008 Post 137 and Voiture-304, 40/8 Volunteers made our annual Christmas visit to Lake City V.A.- We departed Post 137 at 4:00 pm and arrived at Lake City a little after 5:30 pm. The group ate dinner at two different local restaurants prior to going to the Hospital The following dedicated volunteers from Post 137, Auxiliary 137 and Voiture 304, and Cabane 304 were present: Lewis and Ann Gray, Jack and Connie Manning, Norman and Sandy Gentry, Charles and Debra Geisinger, Carl and Myra Jowers, John Kelly, Tony Romano, Al and Josie Scarratta, Jim (JJ) Debbie Jennings, Ray Runyan and Nora and Nola Marcantel. My personal thanks goes out to the above members for giving their time, money, and effort in support of our V.A.V.S. program.

We arrived at the hospital at 6:00 pm and started unloading, and moving all of the donated items into the Hospital. Thanks go out to Jack and Connie Manning for the use of their trailer. We were able to keep everything together in one load.

The Christmas activities started at 7:00 pm, we gave out 200 ditty bags. Our primary concern as always was the nursing home. Santa Clause and his many helpers visited every room that was occupied in the nursing home, to include the restricted wards. We also donated other items (restricted) that could not be put in the ditty bags, i.e. razors, shaving cream, shampoo etc. I would like to give my personal thanks to my wife, Ann Gray, for her many hours of hard work and dedication year after year to get ready for this annual event. A special thanks to John Kelly, Carl Jowers and his elf Myra Jowers and Charles Geisinger for being our Santa Clauses this year. I know it was worth the heat and sweat to make our Veterans happy.

Our next V.A.V.S. visit will be to Lake City V.A. Hospital will be January 23<sup>rd</sup>, 2009. Remember, if you would like to participate in or need a ride, let me know. We depart Post 137 at 4:30 pm, and carpool to Lake City. We eat dinner at a local restaurant and start our activities at the Hospital at 7:00pm. We get back to Jacksonville around 9:00pm.

The following is a list of items donated, and dollar credit given to our Post for our Annual Christmas Visit.

Hope that you all have Merry Christmas, and a Happy New Year.

Yours in Service

Lewis E. Gray Fourth Vice

## **PATRIOT GUARD NOTES**

Locally the month of December was relatively idle and some comments by members had been made about how “.lucky...” we had been. However on Dec 8th something happened at an event I attended which really drove home just what the PGR is all about. I'd like to relate that to all Legion members and hopefully I won't step on anybody's tender toes.

On December 8th several of us were present at a funeral for a Viet Nam veteran. The call to honor this individual had gone out less than 24 hours earlier, but we were there to show honor to the veteran and to support the family. An ALR member was present, a couple of veterans and a civilian were present. No "groups" there just caring individuals united by a purpose. Suddenly that purpose was driven home by one comment and I knew that I was doing the right thing. As we stood forming a flag line outside the chapel a lady walked up and ask "Is this the service for Chief Collins?". Only the Ride Captain could give a proper answer because she had been in direct contact with the family. The only thing the rest of

us knew was that a veteran had died and the family had invited the Patriot Guard to come and stand in his honor. And that's what we did. On short notice our small group came out. We faced 30 degree weather to proudly stand in honor of this individual who had bravely stood for us.

Honor, to veterans and active duty, that is what the Patriot Guard is all about. The group to which you belong is not important. What matters is that you are there to show honor and respect to American Servicemen or Servicewomen.  
A Proud Supporter

**AMERICAN LEGION RIDERS**

I hope that everyone had a wonderful Christmas and rang in the New Year in fine tradition. May this year bring everyone good tidings, good jobs, a happy family life and the things that they desire without too much worry. December turned out to be a pretty good month for the riders. We held our meeting and decided to change our meeting date to the first Saturday of the month at 11:00 am; this will start as soon as we can get our bylaws amended. The new date will be posted as soon as I know it and also I will send out an email to everyone that I have email addresses for. By the way if you have email and you haven't received anything from me yet please email me at [ssherry15@yahoo.com](mailto:ssherry15@yahoo.com) with your email address so that I can add you to the list. We did breakfast on the 7<sup>th</sup>, had a great turn out for help, which I want to thank everyone that showed up you all did a great job. We also did the toys for tots run that the Legacy Vets held on Dec. 13<sup>th</sup>. We are improving on the amount of members showing up for such things, we had 12 bikes and 15 members there. Thanks to John and Ann Bookout for driving their truck and hauling the toys down for us. We raised over \$500.00 toward this program. Great job to everyone who was involved. We are having a dinner on the 9<sup>th</sup> of Jan. and hope to see plenty of our members there to help in putting it on. Since we are beginning a new year with lots of changes expected I would just like to give everyone a little reminder of something that we should be doing everyday. I just want everyone to remember "God Bless America!". That's it for now, till next month: Ride Proud, Ride Safe,

**† CHAPLAIN'S REPORT ☆**

*"There is a time for everything, and a season for every activity under heaven"* Ecclesiastes 3:1. We all have days when nothing seems to be going right, when the stress and strains of life are trying our patients and sapping our spirits. Though we may not realize it these are the times when we need the most to say "**whoa time out**" and refresh our souls in the presence of God.

No matter what your need for today is, you'll discover an opportunity to relax, reflect, and reconnect with the God who is the source of hope and healing. The **New Year** brings with it many **challenges**, not only to our Government but to all of us. I pray that in our Legion Family we can help ease some of the burdens and hardships that occur here and in our community.

It is my sad duty to report the following Legionaries who have transferred to:

**Post Everlasting.**

**"I Said a Prayer For You Today"**

I said a prayer for you today and I know that God must have heard. I felt the answer in my heart although He spoke no word. I did not ask for wealth or fame (I knew you would not mind). I asked him to send treasure of a far more lasting kind. I asked that He would be near you at the beginning of each new day. to grant you health, blessings and friends to share your way. I asked for happiness for you in all things great and small-but it was for his loving care that I prayed for most of all. God Bless you all.

### **Florida minimum wage increases next month**

Minimum wage-earning Floridians will get a raise on New Year's Day. **Effective January 1, 2009, Florida's minimum wage increases to \$7.21 per hour.**

On November 2, 2004, Florida voters approved a constitutional amendment that created Florida's minimum wage. The minimum wage applies to all employees in the state who are covered by the federal minimum wage. Florida law requires the Agency for Workforce Innovation (AWI) to calculate a new minimum wage each year and publish the new minimum wage on January 1.

According to AWI, the current minimum wage represents a six-percent change in the federal Consumer Price Index for urban wage earners and clerical workers in the South Region for the 12-month period prior to September 1, 2008.

The Florida minimum wage will prevail over the federal rate until such time as the federal minimum wage becomes higher than the state rate.

The federal minimum wage will increase to \$7.25 on July 24, 2009. On this date, Florida employers must increase the minimum wage from \$7.21 to \$7.25.

Employers must pay their employees the hourly state minimum wage for all hours worked in Florida. The definitions of "employer," "employee" and "wage" for state purposes are the same as those established under the federal Fair Labor Standards Act (FLSA). Employers of "tipped employees" who meet eligibility requirements for the tip credit under the FLSA may count tips actually received as wages under the FLSA.

However, the employer must pay "tipped employees" a direct wage. **The direct wage is calculated as equal to the minimum wage (\$7.21) minus the 2003 tip credit (\$3.02), or a direct hourly wage of \$4.19 as of January 1, 2009.**

Employees who are not paid the minimum wage may bring a civil action against the employer or any person violating Florida's minimum wage law. The state attorney general may also bring an enforcement action to enforce the minimum wage.

FLSA information and compliance assistance can be found at: <http://www.dol.gov/dol/compliance/comp-flsa.htm>.

The Florida and federal minimum wage increase schedule is:

- \$6.79 – January 1, 2008 Florida Current Minimum Wage
- \$7.21 – January 1, 2009 Florida New Minimum Wage
- \$7.25 – July 24, 2009 Federal and Florida New Minimum Wage

The School Medals provides two benefits to the American Legion.

First of all, it's an opportunity to **reward two outstanding students** at each school with recognition of their outstanding achievements for the academic year.

Secondly, it puts the **American Legion** into each school as an opportunity for **community service**. Post 137's area of responsibility is the Westside.
